## Pancreatic nutrition research symposium May 24<sup>th</sup> 2022

**9-10am BREAKFAST PREMEETING** Bring your research proposal/how to get started: *Meet the experts session to discuss your research ideas or advice on how to get started in research*

**10-10.15 Arrivals and welcome – Chris Macdonald PCUK**

**10.15 -11.00 National practice and overviews of practice Chairs Oonagh Griffin and Keith Roberts**

Consensus for the management of pancreatic exocrine insufficiency: UK practical guidelines **Mary Phillips, Guildford**

RICOCHET National audit of PERT prescribing in pancreatic cancer **Richard Wilkin, Worcester**

Transform Lives Prescribe – getting PERT to patients **Sarah Bell and Jo Taylor PCUK**

**11.00-12.30 Research tools in PEI Chairs Sinead Duggan and Mary Phillips**

Quality of life tools in PEI **Prof Deborah Fitzsimmons, Swansea**

Establishing the C<sup>13</sup> breath test in a UK research setting **Sarah Powell-Brett**

Nutritional assessment of muscle mass and function for research – **Oonagh Griffin, Dublin**

Update on cancer cachexia **Richard Skipworth, Edinburgh TBC**

**12.30-13.30 Lunch**

**13.30-14.30 Research in progress/completed part1 Chairs Andrew Smith and Mary Phillips**

Dietary intake and physical activity in chronic pancreatitis **Sinead Duggan**

DETECTION study (developing a novel test for PEI) – **Sarah Powell-Brett**

The FEED Study, a multi- modal intervention for patients with pancreatic cancer - **Oonagh Griffin**

Casting a wider NET – profiling PEI in patients on SSA therapy for NET's **Lewis Hall**

**14.30-15.00 Break**

**15.00-16.00 Research in progress/completed part 2 Chairs Andrew Smith and Mary Phillips**

PanDA update **Lindsay Carnie, Manchester/Portsmouth**

Assessing physical activity and muscle function after pancreatoco-duodenectomy **Mary Phillips**

Progression of sarcopenia on NAT and correlation with outcome – **Jyotsna Anand**

Chronic Pancreatitis: Towards a Comprehensive, Patient-Centred, Evidence-Based, Model of Nutritional Care **David Bourne, Newcastle**

**16.15 Close**

Research event made possible with thanks to
